

## Grade 9 Welcome - 2022/23

### About Us

- All parents are members of the Parent Council.
- Executive leads and Sub-Committee leads form the core governance team. Join us!
- **Our Mission:** Participate. Support. Build.
- **Our Focus:** Promoting healthy school connections for children, faculty and parents.
- **Our Strength:** Complementary Partnerships
- PAC promotes Volunteer Participation, Fundraising Support and building Community Connections.
- PAC supports small (\$10,000 or less) and large (\$10,000+) fundraising initiatives within yearly planning processes.
- PAC manages monthly and annual budgets and minimizes expenses where feasible.
- PAC recognizes multiple community fundraising initiatives; being mindful of donor fatigue.

### Contact Us

**Chair:** Tanya Pomaranski  
**Vice Chair:** Vacant

### Find Us

Niverville High School  
401 Centre Street  
Niverville, Manitoba R0A 0A1

### Join Us - We need you

We will have executive vacancies at the end of 2023.  
Join and learn alongside us to pass the baton.

- Co-opt the Treasurer and Secretary positions during 2022-23
- Current executives will fulfill their last term and leave the school in June 2023.
- Without Parent members on the board. That means no PAC.
- Without a PAC, we wait longer for upgrades or do without support for morning snack programs, outdoor classrooms, oval tracks, Esports, hydroponic labs, appreciation events, and grad bursaries.
- Fundraising is still needed in high school; school budgets do not provide it all.

### Support Grads - They need us

*Support Grads and Graduation programs*

- We provide annual funding for two (\$250 each) Graduation Bursary Awards on behalf of Niverville Parents (PAC).
- We collaborate and support the Grad Parent Fundraising Committee as needed.

### Support School Programs & Upgrades

*Support School Community Partnership programs*

- Provide funding, sponsorship and donation coordination for school needs as required.
  - Grade 9 Welcome, Student Leadership fundraising, E-Sports, and Student/ Staff Appreciation programs.
- Provide funding and sponsorship for outdoor school ground seating and a long-term outdoor classroom.
- Provide funding and sponsorship support for a hydroponic garden in the Science Lab.
- Provide grant application support, sponsorship, volunteerism and funding for a morning snack program for all NHS students.

### 2022-23 Program Volunteers Needed

- 3 volunteers to manage/ run the Morning Snack Pgm - 2-3x a week (8am-9am)
- 6 volunteers to help with a September Grade 9 welcome event
