

Niverville High School Principal's Report - PAC

January 2020

Everything feels very settled as we begin a new year. Routines have been established and many wrinkles have been ironed out - there is a sense of calm along with a dedicated focus on finishing the semester strong. It's hard to believe that half the school year is over already. Semesterized courses are wrapping up over the next couple of weeks with Assessment Week running January 27-30th.

The grade 11 art students are hosting a Winter Art Show on Wednesday, January 22 from 6:00-8:00 pm. It is a come-and-go event and we invite you to join us in the celebration of learning. Admission is FREE and refreshments will be served.

The Tuesday morning Bread for Breakfast program is underway and about a $\frac{1}{3}$ of our students have taken advantage of a free slice of bread (with a spread) on each of the past two Tuesdays. We are going to put this in our morning announcements and on social media to make sure all students are aware that bread is being served every Tuesday morning between 8:30 and 9:00.

Phase 2 of construction will be wrapping up at the end of January and we will be moving the drama and band classes into their new spaces for the start of semester 2. No more bussing the band students to the middle school!

Happy New Year!

Kimberley Funk
