

April 22, 2022

Dear Parents of Future NHS Students,

Niverville High School will be hosting Grade 9 Orientation on Thursday, May 5. The grade 8 students from NMS will be visiting during the school day, where they will have the opportunity to meet the grade 9 teachers, tour the school, and learn a little about what high school is all about. The transition from middle school to high school is a significant milestone and we want to build some excitement, while at the same time alleviate any worries or potential anxiety. We want your child to feel welcome and look forward to starting grade 9.

We will also be hosting a parent orientation evening on May 5 from 7:00-8:30 pm. We will provide an introduction to our school, explain the credit system, review the grade 9 course selection process, and take you on a tour of the school. Following the information session, we invite you to stay for pie and coffee and visit with our grade 9 teachers and student care team.

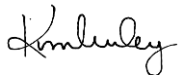

**7:00 - Information Session**

**7:30 - School Tour**

**7:45 - Pie & Coffee**

We look forward to welcoming you to our school community and hope to see you on May 5th.

Sincerely,

A handwritten signature in black ink, appearing to read "Kimberley Funk".
