

2022-2023 PAC COMMUNITY REPORT

About Us

- All parents are members of the Parent Council.
- Executive leads and Sub-Committee leads form the core governance team. Join us!
- **Our Mission:** Participate. Support. Build.
- **Our Focus:** Promoting healthy school connections for children, faculty and parents.
- **Our Strength:** Complementary Partnerships
- PAC promotes Volunteer Participation, Fundraising Support and building Community Connections.
- PAC supports small (\$10,000 or less) and large (\$10,000+) fundraising initiatives within yearly planning processes.
- PAC manages monthly and annual budgets and minimizes expenses where feasible.
- PAC recognizes multiple community fundraising initiatives; being mindful of donor fatigue, collaboratively fundraising with NMS PAC for the needs at both schools.

Planning Priority # 1

Fundraise for Science Lab and Outdoor Green Space

- Provide funding and sponsorship for outdoor school ground seating. Functionality and versatility connects to the long-term plans for an outdoor classroom.
- Provide funding and sponsorship support for the purchase and installation of equipment and supplies for a hydroponic garden in the Science Lab.

Planning priority # 2

Support Morning Snack Program for all NHS students

- Provide grant application, sponsorship, volunteerism and funding for the morning snack program for all NHS students.
- Restart Bread Days program. Parents and community members donate spreadable toppings for bread allowing our volunteers to manage the canteen 3x/week for students to grab-n-go a quick morning snack to start their learning day.

Planning Priority #3

Support Grads and Graduation programs

- Provide annual funding for two (\$250 each) Graduation Bursary Awards on behalf of Niverville Parents (PAC) and additional graduation celebration events.
- Collaborate and support the Grad Parent Fundraising Committee as/if needed.

Planning Priority #4

Support School Community Partnership programs

- Increase Parent volunteerism to sustain a PAC Executive Board past June 2023.
- Provide funding, sponsorship and donation coordination for various school needs as required:
 - Grade 9 Welcome BBQ, Student Leadership fundraising, E-Sports, and Student and Staff Appreciation programs.
- Provide NHS Parent Resources, PAC sustainability and transition for Grade 9 Parents, volunteerism relationships to implement programs and resources for the benefit of all NHS students.
