

## Niverville High School Principal's Report - PAC

### Principal's Message - May 2023

Hello NHS families,

I hope this message finds you well. It's hard to believe it's May already but I'm loving the positive spring vibe in the school. Everyone's energy level has seemed to increase and the halls have been filled with extra smiles lately.

### Recent Highlights

Our **spring musical** was a huge success and I'd like to give a huge shout out to all those who were involved. It certainly created a sense of community as students, staff and parents came together to make it all possible. Congratulations to the cast and crew for putting on an entertaining show! Thanks also to all those who came to see the performances and showed support for our school.

**Course selection** for next year went smoothly and **is now complete**. We will now start working on our timetable for next year and then begin creating student schedules.

Just a reminder that Term 3 **report cards** were issued on April 24th and can be viewed on the parent portal. If you have any questions about your child's progress in any of their courses, please contact those teachers directly via email.

### Important note for all students and awareness for families:

Students should not be hanging out in the CRRC during the school day. They should be using the vending machines, bathrooms, and seating areas available at the school. The CRRC has specifically asked that students on spare not loiter in their building. We do not have the ability to supervise students away from school so we ask for their cooperation with this request. This reminder was posted in the school's morning announcements today as well.

### Upcoming Events

#### **Showcase of Learning - Thursday, May 11**

Please join us from 5:30-8:00 for a snapshot of what happens at school on a day-to-day basis in terms of the learning process and content focus for each course. This event will have an "open house" format to allow parents and students to come and go throughout the evening. A more detailed schedule will be sent out later this week once all classroom plans have been solidified.

### **NHS Grad Fundraiser Dance - Friday, May 26**

The parent grad committee, along with the grade 12's, are planning a school dance to be held on May 26 from 7:30-11:30 pm in the school gym. This event will be for NHS students only and will be chaperoned by NHS parents and staff. More information regarding ticket sales will be sent in the coming weeks.

### **Other dates to be aware of:**

May 22 - Victoria Day (no school)

June 5 - Admin Day (no school)

June 22 - Last day of classes for Grade 12

June 23 - Last day of classes for Grades 9-11

Cheers to warmer days! Enjoy the sun 🌞
