

## NHS Supply List 2025-2026

Before you head out shopping, check what you already have at home!

Many supplies - like binders, pens, calculators, and pencil cases - can be reused from last year.

This list is a **guide, not a starting-from-scratch list**. Be cost-smart, recycle what you can, and only buy what's truly needed.

Working with your child to sort through their backpack and supplies is a great way to make sure they're ready and responsible for the year ahead!
