

About Us

- Niverville High School is a vibrant, inclusive, and future-focused learning community serving Grades 9-12 in the Hanover School Division. Our modern facility reflects our values of openness, belonging, and growth.
- We are proud to serve 429 students and their families. We have 2 principals, 28 teachers, 9 educational assistants, 1 healthcare aide, 2 secretaries, 1 learning commons support specialist and 4 custodians.
- We offer a wide variety of academic and extracurricular programs that promote engagement in our school community.
- We are proud to offer the Interactive Digital Media vocational program and currently run courses at each grade level.
- We focus our teaching and learning around the 21st century skills of communication, critical thinking, collaboration, character, citizenship and creativity across all grades.
- Programs of Pride:
 - Learning Support Program
 - Flex Ed Program
 - Art, Music and Band
 - Physical Education
 - Indigenous Education
 - Career and Guidance Services

Community Report 2025-2026

Culture. Legacy. Inspiration. Community. Knowledge. Success.

Where Everything CLICKS. We empower students to shape their own legacy by inspiring a culture of community, knowledge, and success.

Planning Priority #1 – Culture

Build and maintain a school culture rooted in respect, empathy, inclusion, and pride - where diversity is celebrated, voices are valued, and everyone contributes to a positive learning atmosphere.

Year-End Accomplishments

- Fostered a school-wide culture of belonging, respect and high expectations, where students were encouraged to grow academically, socially and personally.
- Strengthened staff collaboration through shared leadership, professional learning and a continued focus on instructional excellence.
- Prioritized positive relationships by intentionally recognizing student and staff successes, celebrating achievements and reinforcing our shared values.
- Expanded opportunities for student voice and leadership through Student Leadership Team initiatives, fine arts, athletics, clubs and school-wide events.
- Continued to build a caring school environment where every student was known, supported and encouraged to reach their full potential.

Planning Priority #2 – Community

Foster a deep sense of belonging where students, staff, and families feel connected, supported, and united through meaningful relationships and shared purpose.

Year-End Accomplishments

- Strengthened partnerships with families through ongoing communication, parent-teacher conferences and collaborative support for student success.
- Connected students with the broader community through service learning, performances, athletic events, career exploration and local partnerships.
- Created meaningful opportunities for students to build relationships across grade levels and with community organizations, fostering a strong sense of belonging.
- Celebrated school traditions and community events, including graduation, June Jam, fine arts productions and Indigenous learning experiences, that brought students, staff and families together.
- Continued to position Niverville High School as a welcoming community hub where students, families, staff and community members work together to support learning and well-being.
